The Montgomery County Planning Department (M-NCPPC) Design Excellence Award

Celebrate Design 2017, on **Thursday, October 19** at the Silver Spring Civic Building, will be the AIA Potomac Valley Chapter's biggest event of the year, highly anticipated as an opportunity for architects to network with professional peers and celebrate the best work of our members and our region, with the presentation of our [Excellence in Design Awards](#) and the [Paul H. Kea Medal](#).

Celebrate Design 2017 will be co-hosted by the Montgomery County Planning Department, which will present its annual [Design Excellence Awards](#) at the event. Last year's **Celebrate Design 2017** achieved record attendance with an engaged crowd of over 200 design-related professionals, non-profit and government leaders, and elected officials. **Celebrate Design 2017** is an excellent opportunity to begin to build a relationship with our Chapter, get involved with our members, and support the industry.
